

Meeting Agenda

November 1, 2023

Meeting Agenda

- ❖ Welcome
- ❖ Monthly Assignment Slideshow
- ❖ Suggestions for December meeting
- ❖ Long Exposure Photography
- ❖ December photo assignment

November Slideshow

Long Exposure Photography

- ❖ Night Photography often requires long exposure due to low light conditions
- ❖ Creative Photography with long exposures
 - ▶ Removing moving people and moving objects from a scene
 - ▶ Creating softer effects with moving water such as waterfalls, ocean tides, or other water bodies
 - ▶ Combine with other techniques to create greater detail with focus shifting

YouTube Videos

- ❖ Mastering aperture and shutter speeds in long exposure photography by Attilio Ruffo [CTRL + CLICK](#)
- ❖ Mastering long exposure Photography how to remove crowds of people using (ND) Neutral density filters. By Anthony Zacharias. [CTRL + CLICK](#)
- ❖ The Ultimate guide to long exposure photography by Mike Smith [CTRL + CLICK](#)
- ❖ Long exposure photography just using IPHONE and software application BY Attilio Ruffo [CTRL + CLICK](#)

Suggestions for December meeting

- ❖ Workshop for portrait lighting
- ❖ Spend a majority on time on critiques subject to participation
- ❖ Photographing people versus places and things
